

PLASTICOS FRANCES SAU has committed since the adoption of REACH (**Regulation EC No 1907/2006** of the European Parliament and the Council) to fulfilment.

That's why this company is in constant contact with its suppliers to ensure them and their suppliers, comply with their obligations under the **REACH Regulation**.

For this reason, and according to the information in our possession, we can ensure that all raw materials used in the manufacture of our range of films, including bags and formats manufactured with them, comply with the provisions of the REACH Regulation.

In the same way, we can confirm that all the raw materials used in the manufacture of our products do not contain any substance in an amount greater than 0.1% by weight, which appears in the list of highly worrying substances (**SVHC**) published by **ECHA** to date **January 23, 2024**, nor any substance that should be subject to authorization according to Annex XIV of the REACH Regulation, nor substances subject to restriction included in Annex XVII, according to its latest updates as of the date of issuance of this document.

For all the above and in accordance with Article 31 of the REACH Regulation, a safety data sheet for our products is not required.
